

The 2021

Health and Housing Policy Forum

Friday April 16th
8:30-12 pm PST

Admission is free.

[REGISTER HERE](#)

RSVP is required via Zoom.

The School of Social Ecology, Master of Public Policy (MPP) program and the Public Policy Student Association (PPSA) in partnership with American Family Housing **invite you to participate in the 2021 Health and Housing Policy Forum.**

This forum will include panel discussions and a keynote address exploring critical challenges by engaging the leaders, policymakers, researchers, and service agencies at the front lines of addressing this important intersection of health and housing.

Bridging the Policy Divide: Integrating Health and Housing

New healthcare policies, new opportunities during a public health crisis. Evolving approaches to healthcare are putting housing & housing services front and center as a key social determinant of health.
