

## Clothing Donations

Please make sure that all used clothing is clean, of good quality, and ready to wear.

We accept all lightly used clothing, and **new undergarments**

**\*\*used undergarments will not be accepted\*\***

### ***Things to consider before donating clothing:***

Consider the dignity of the person you are donating to. At American Family Housing we never ask someone to wear something we wouldn't be willing to wear ourselves.
